

Family Time Capsule

Participants will need one box or container per household to use as a time capsule. The time capsule can be a box, plastic container, jar, tin etc.

It should be something that can be closed or sealed shut

What goes into the time capsule? The capsule should contain at least one item from each of your family members.

1. Photos of Family and Friends
2. Artwork that you are proud of
3. Write an all about me page. You can include your favorite song, favorite color etc.
4. Write a Letter to your future self.
5. A Toy of stuffed animal
6. Write today's date and set a date to open it. You can not open it until the set date. Open it in 5-10 years.
